

GLSKA MEMBERSHIP APPLICATION FOR JOINING OR RENEWAL

(Mail-in application)

GLSKA is a non-profit association whose goal is to promote the activity of sea kayaking. We employ no paid staff and in general charge no fees for our trips or activities other than those designed to recover shared costs and expenses such as camp permits etc. The organizers of GLSKA activities are volunteers. They are not paid, and although they will do their best to help you have a good time and a safe time the ultimate responsibility for this is yours. Sea kayaking can involve risk, therefore you should take the time to research and understand the degree of physical risk involved in these activities, be sure that you are prepared for it, make sure that you have all the required equipment and that it works, and be prepared to take responsibility for your own safety and good spirits throughout the activity.

Memberships run from January 1 to December 31 of each year and are available for one or two year periods. A discount of \$5 applies to applications postmarked before January 1st. This discount is shown in the Membership Fees table.
