

GLSKA RENDEZVOUS 2015 - JUNE 19 - 21

White Squall Sessions and Member-Led Trips (see Charts Below)

1. For the White Squall Sessions you can indicate **in advance** up to three White Squall sessions by sending an email, stating your order of preference to: chantal.locatelli@gmail.com.
2. Member-led sessions are on a first-come first-serve basis but you need to be on-site to sign up.
3. You will likely end up with only one, or two, of your White Squall session selections in advance.
4. You can also wait and select from the remaining unfilled White Squall sessions on Friday evening after registration. The risk of waiting is that all of your preferred White Squall sessions may be full.
5. If you choose to go on either of the two member led trips that start Saturday morning at 10:00 a.m., then you can only select one of the White Squall sessions that commences at 8:30 a.m. If you intend to go on the third member led trip that starts at 1:00 p.m. on Saturday then you may choose from the morning White Squall and member led sessions.
6. The session organizers will make every reasonable effort to allocate the White Squall sessions fairly.
7. Member-led sessions may be combined or cancelled depending on registration.
8. For further information on Member-led trips contact: John Fitzsimons (fitz13@gmail.com). For information on White Squall sessions contact Rob Wright (rvwright@sympatico.ca)
